CZECH JUNIOR & CADET OPEN

2. – 6. 2. 2011

Hodonín, Czech Republic

Dear sportsmen, ladies and gentlemen, dear guests,

The South Moravian Region offers to its inhabitants and visitors not only historical monuments and beauties of nature but also participation in interesting sport events. Southern Moravia has held quite a number of various European and World tournaments in the past. I am delighted that Czech Junior & Cadet Open 2011, a part of the world junior table tennis circuit of tournaments, is going to be one of them.

I am confident that organisers from SKST ČSAD Hodonín will prepare this tournament in such a manner that the participants from all around the world will feel at home and will be able to perform to their very best. I am convinced that South Moravian Region will remain an important sport destination in the future and we intend to provide the best support possible to this end.

The Southern Moravia is a region where many outstanding sportsmen and representatives of the Czech Republic came from – medal winners of world championships and Olympic Games. Table tennis is one of the sports that have long history and perspective in our region and I strongly believe that Czech Junior & Cadet Open 2011 will fulfil expectations of organisers as well as participants and participants.

Mgr. Michal Hašek
Governor of the South Moravian Region

The South Moravian Region is located in the southeast of the Czech Republic on the borders with Austria and Slovakia. Brno, the second largest city of the Czech Republic, is the centre of the region.

Southern Moravia enjoys excellent accessibility and a strategic position at the intersection of trans-European long-distance road and rail routes, which are important arteries connecting the west of Europe with the east, and the north with the south. Tuřany Airport in Brno, which handled almost half a million passengers in 2008, is the second largest airport in the Czech Republic.

The speciality of Southern Moravia is winegrowing of European standard and reputation, with more than 90% of Czech vineyards being found in the region. Small-scale producers and a high number of wine cellars are characteristic to this region.

Southern Moravia is a region with extensive cultural and historical roots and many important architectural monuments in diverse architectural styles. Two of these, Villa Tugendhat in Brno and Lednice-Valtice, have been placed on the UNESCO World Cultural Heritage List. Slavkov or Austerlitz, the site of the Battle of the Three Emperors, is also world-famous site worth visiting.

Mayor of Hodonín

Ladies and gentleman, dear guests,

The town of Hodonín is going to provide its recently completed sports hall for Czech Junior & Cadet Open 2011. We are truly delighted to hold such an important sports event of international significance and we believe that, with our support to organisers from SKST ČSAD Hodonín we will uphold high standard of hosting sports events. The club has held many national as well as international tournaments in the past years and these sport events have always been highly praised. I firmly believe that this time will not be any different.

I would be glad, if, apart from sport experiences, you manage to find some time to visit the town. Hodonín offers many sights and places of interest. There is spa, port of Bata canal, ZOO, gallery, museums and other tourist attractions. The surroundings offer many unforgettable experiences as well – wine tourism, historical monuments, beauties of nature in form of loops of the Morava river or the picturesque hills of White Carpathians.

I am looking forward to seeing you in Hodonín and I hope you have a pleasant stay.
